1967 OWL DEDICATED TO HENRY L. NEWMAN, III.

Seldom does an individual instill in others the feeling that in spite of the successes or failures they might have, he was still one-hundred percent behind them. Seldom does one person, without a single word, give another the incentive to perform his utmost for him. It is this ability to support unremittingly, this quality of quiet leadership that makes this person outstanding in both character and personality.

For his long and distinguished service to the school as a mathematics and English teacher, as an Assistant Headmaster and director of athletics, for his unfailing sense of humor and his devotion to education, for his willingness to help, but most of all for his faith and support that gave all who played for him the zeal to win, the Class of 1967 is proud to dedicate this yearbook to Henry L. Newman, III.

Great Mother of Mercy, What has befallen us?!!
Mr. Smith will not....
Tracy Johnson, BOOM!!
I want everyone who poked holes in the wall...
Draw any mud?
Whizzo, Prang on.
Shut up, Gentlemen.
Don't you care?
Massachusetts General Hospital
You've got to be hungry.

Take heed to what Napoleon says.
I'm sick and tired of getting stuck with the dance clean up
Did I ever tell you about the time...
Until Sports Illustrated is returned, no new issues...
Duck Soup, Cats Pajamas, Bee's Knees.
You SLOB, Froeb!!
It's berling.

FALL SPORTS

The fall sports season this year proved to be one of the most successful on record. Every team had a winning season. The combined record of all sports was an impressive 32-11-3.

Varsity football held the best record of the fall season, winning 7 and losing only 1. The Danes scored 154 points, while holding their opponents to only 68. Using the experience of last year's 1-6 season, the team combined a well-balanced offense with a sturdy defense to average close to 20 points a game to their opponents 8 points a game. In the last game of the season against arch-rival C.A., the Danes were upset 3-0 in a close battle which left the team five yards away from an undefeated season. Under the direction of coaches Babcock, Flugstad, and Davidson, next year's team should do as well.

This year's Varsity soccer team compiled a record of 4 wins, 2 losses, and 3 ties. The team scored a total of 22 goals and let in 16. Although they tied for first in ACIS league competition, the team was unable to keep the Headmaster's Cup for good, due to the 2-2 tie with C.A. The trophy is given to the team which wins the league three years in a row. Next year's team, under coaches Raushenbush, Donahue, and Andres, should put the Cup away for good.

Varsity tennis completed the year with a very respectable 8-2 mark. The Danes lost their first match, but went on to take 8 straight before falling to Cheyenne Mountain in the last match of the season. Coaches Moroney and Swallow did an excellent job in directing this year's squad.

Because of the large amount of interest and participation, both football and soccer were able to carry Junior Varsity teams. Both of the younger teams did a good job, JV football turning in a 2-2 record and JV soccer a 2-1 slate.

Encouraging, too, are the Pup records. The Pup football team put together a 5-1 record, and Pup soccer won 4 while losing 2. All three losses were to C.A.

WINTER SPORTS

The winter sports season was not outstanding, but showed great desire and promise for next year. Although all the teams did not have winning seasons, with only ten seniors participating the season can be considered a success.

The varsity basketball team, coached by Mr. Babcock, closed the season with a 9-8 record. The high spots of the season must be the Danes' first and last games. The first game was against C. A. with a win by more than 20 points, and the last game the Danes won easily over Walsenburg St. Mary's. In both games four of the five starters scored in double figures. Being four fifth-formers and one sophomore, the team shows great promise for next year.

Plagued by a loss of players and lack of depth the hockey team compiled a 5-7 record against teams with many times the resources of the Danes. They may have lacked players, but desire was plentiful as Captain Brent Abel led the team to one important victory over Cheyenne and a heartbreaking loss to Wasson in overtime. In the Cheyenne game the Danes won 3-2 thus becoming the only team to beat them without an overtime. The tie with Wasson was broken in overtime by a score of 3-2 with the Danes compiling a total of 19 shots to Wasson's 6. Brent Abel, Tim Boddington, and Dick Forman all made the second team all-stars.

The wrestling team, as in past years, was plagued by a lack of players. Though only able to fill 8 of the 12 weight classes, they completed the season with a 2 win, 1 loss, 1 tie record. In four matches there was one undefeated man, Dave Duxbury. With all of their lettermen returning and more depth, the outlook for next year is bright.

This year's ski team had one of the most successful seasons in recent history. Coached by "Fusebox" Davidson and "Napolean" Donahue, consistant performances were turned in by skiers Bill Sheridan, Jamie Knowlton, Ted Weissman, and Wink Jordan. Captain "Spook" Douglas was not able to participate in the majority of the ski meets because of an injury. The high point of the season was a first in the downhill by Bill Sheridan at the CRMS team races. With Knowlton and Jordan returning and several promising underform skiers next year's season looks good.

Un, deux, trois...

That's how Autolite-equipped Fords finished in the 24-hour race at Le Mans, France: 1, 2, 3.

The famous French long-distance race had an American accent this year. A U.S. car not only won the 24-hour race for the first time, but two more finished second and third. All three were Autolite-equipped Ford GT-40 Mark II sports racers. Sacre bleu! You could almost hear traditions shattering. But at Autolite we make a habit of helping shatter old ideas, of breaking new trails. So it's not surprising that the winning Le Mans Fords used complete Autolite ignition systems—including Autolite spark plugs, wire and cable, batteries, and alternators. We helped pioneer the successful rear engine racing car at Indianapolis. (We also introduced spark plugs with the exclusive Power Tips that clean themselves while you drive. And vibration-guarded batteries with sturdy reservoirs to minimize damage through water loss.) We like riding with winners, something Autolite products have been doing a lot lately. Why don't you go Autolite, too? You're always right with Autolite.
